

CROPFIELD

# INSPIRED BY NATURE

Inspired by the patch work of fields seen when viewed from above.

This earthy design brings out your inner suburban roots, creating a relaxing and easily tolerable working environment. Cropfield acoustic tiles are ideal for any office work space, not only do they reduce noise levels and improve concentration, but they also add a subtle yet sophisticated edge to otherwise plain surroundings.

## FIRE CERTIFICATES

Full fire testing has been performed and complies with safety regulation EN ISO 11925-2.

## FABRIC CARE

If spills occur on fabric, ensure they are wiped away as soon as possible to prevent stains, refrain from using large amounts of water and from rubbing vigorously if possible as this could affect the overall finish of the surface.

## ENVIRONMENTAL CERTIFICATIONS

ClassWall is committed to keeping the environment healthy and sustainable, this is proven by the ISO 14001 certification.

ClassWall Acoustic tiles are made of 65% recycled material and can be reprocessed again after use.

## ACOUSTIC ABSORPTION

ClassWall Acoustic tiling is in compliance with acoustic standards:

- ISO 345
- ISO 11654
