

FREQUENCY

INSPIRED BY NATURE

Inspired by the Intricacy of
sound waves.

The frequency acoustic tile portrays the very thing it reduces and is a perfect fit for a busy work place. Its character and design helps this modern master piece seamlessly integrate into any situation. The endless possible combinations in this tile lend its self to exploration, meaning that there is something for everyone, no matter what your tastes.

FIRE CERTIFICATES

Full fire testing has been performed and complies with safety regulation EN ISO 11925-2.

FABRIC CARE

If spills occur on fabric, ensure they are wiped away as soon as possible to prevent stains, refrain from using large amounts of water and from rubbing vigorously if possible as this could affect the overall finish of the surface.

ENVIRONMENTAL CERTIFICATIONS

ClassWall is committed to keeping the environment healthy and sustainable, this is proven by the ISO 14001 certification.

ClassWall Acoustic tiles are made of 65% recycled material and can be reprocessed again after use.

ACOUSTIC ABSORPTION

ClassWall Acoustic tiling is in compliance with acoustic standards:

- ISO 345
- ISO 11654
