

FUSION

# INSPIRED BY SOUND

Created out of the increasing need for noise reduction in modern open plan work spaces.

Fusion is a versatile wall covering which is commonly used in modern school, and office environments. Fusion wall lining serves to dull red noise and provide increased focus and productivity due to there being fewer distractions from people talking around you. This product is also pinnable, making it excellent for classroom and board rooms or notice board areas. Its acoustic properties ensure that distracting noise is lessened greatly.

## FABRIC CARE

If spills occur on fabric, ensure they are wiped away as soon as possible to prevent stains, refrain from using large amounts of water and from rubbing vigorously if possible as this could affect the overall finish of the surface.

## ENVIRONMENTAL CERTIFICATIONS

ClassWall is committed to keeping the environment healthy and sustainable; this is proven through the certificates gained:

- ISO 14001 certification.
- Oeko – Tex standard 100

Classwall Fusion also complies with the quality processes and best practices certificate

- ISO 9001

ClassWall Fusion is made of 65% recycled material and can be reprocessed again after use. This is as per the responsible use agreement between customer and supplier ISO8001 2015

## ACOUSTIC ABSORPTION

ClassWall Fusion has gained a Noise Reduction Coefficient (NRC) rating of .49
