

LEAVES

INSPIRED BY NATURE

Inspired by the irregularity and structure of nature.

This complicated yet simultaneously simple pattern of leaves incorporates an earthy touch to your workspace. The leaves acoustic tile gives a classic and timeless look to any environment allowing people to be at one with nature while in a corporate situation. Greenery softens the edges of a hard lined environment and in this case it couldn't get much easier to care for.

FIRE CERTIFICATES

Full fire testing has been performed and complies with safety regulation EN ISO 11925-2.

FABRIC CARE

If spills occur on fabric, ensure they are wiped away as soon as possible to prevent stains, refrain from using large amounts of water and from rubbing vigorously if possible as this could affect the overall finish of the surface.

ENVIRONMENTAL CERTIFICATIONS

ClassWall is committed to keeping the environment healthy and sustainable, this is proven by the ISO 14001 certification.

ClassWall Acoustic tiles are made of 65% recycled material and can be reprocessed again after use.

ACOUSTIC ABSORPTION

ClassWall Acoustic tiling is in compliance with acoustic standards:

- ISO 345
- ISO 11654
