

## SERENITY PANEL

# INSPIRED BY SOUND

Created out of the increasing need for noise reduction in modern open plan work spaces.

This versatile paneling can be used for anything from screens to art decorations. Whatever you choose to use it for it will serve more than one purpose; its acoustic properties greatly improve focus and concentration, and when decorating a dull room its ability to be made into so many different things means it can be tailored to suit many different styles and applications

## FIRE CERTIFICATES

**Group 1-S** [MBIE C/VM2 table A1].  
Extensive fire testing has been performed, this includes retardant standards: **US ASTM084** A level and **EN 13501** [B-S1]

## FABRIC CARE

If spills occur on fabric, ensure they are wiped away as soon as possible to prevent stains, refrain from using large amounts of water and from rubbing vigorously if possible as this could affect the overall finish of the surface.

## ENVIRONMENTAL CERTIFICATIONS

ClassWall is committed to keeping the environment healthy and sustainable; this is proven through the certificates gained:
